K-Cup[®] Pod
Recycling Program

KeurigKCycle.com

You return.
We recycle and compost.
Everyone wins.

We share your commitment to sustainability.

That's why we're proud to offer the K-Cycle® Recycling Program. A simple way to make sure that every K-Cup® pod is fully recycled — giving all materials a second life and reducing waste. Since program inception, over 6 million pounds of material have been diverted from landfills!¹

¹ 2021 Program Reporting

Available in 48 States

The Keurig® K-Cycle® program is currently unavailable in Alaska, Hawaii.

You Brew & Collect

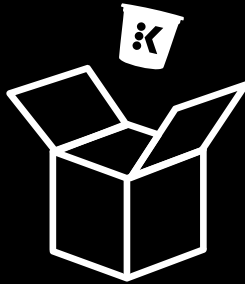

1

Brew your favorite K-Cup® pods

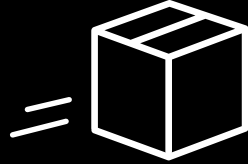

2

Fill bin with used K-Cup® pods

3

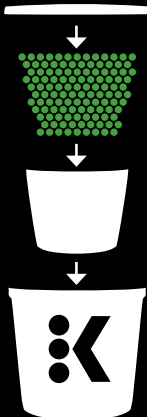

Return full K-Cycle® bin

We Recycle & Compost

4

We separate the components

5

Plastic and aluminum are recycled

Coffee/tea grounds and filter become compost

Our Recycling Bins

In an effort to reduce impacts on our carbon footprint, the K-Cycle® bins are bundled in packs of five (5), made from at least 70% recycled content, recycled after use, and shipped via the UPS Carbon Neutral Program. Single bins are not available.

Each Bin Includes:

- Pre-paid UPS return label affixed to bin
- Pre-affixed bag and zip tie seal for brewed Keurig® K-Cup® pod collection

PLEASE NOTE: Due to the presence of organic waste, each bin should be replaced every 2-3 weeks.

Please visit
[KeurigKCycle.com](https://www.KeurigKCycle.com)
to choose the bin size
for your brewer station.
